NEW "DADS" BIBLE STUDY

Wednesdays, starting Sept. 9th

While the kids gather for Kids Connection (6-7 PM), fathers of little ones, school age, and college youth are invited to meet for a Bible study. We will either use the Serendipity Bible-themed studies on parenting or themes of special interest to men, OR select a book of the Bible to read through together. This will be determined by those present at the 1st meeting.

Church Property Check Out Reminder

A Church Property Check Out Request Form (currently located in the church office) **must be filled out & approved** before removing any church property. This is mostly meant for borrowing the white 4' X 6' tables &/or the plastic burgundy chairs. NCC is no longer loaning out our wheelchair so that it remains in the building in case needed.
